## NOTICE

- Separate permits are required for plumbing, electrical, HVAC, and Gas. Permit becomes null and void if authorized work is not commenced within 6 months or if work is suspended for a period of 6 months at any time.
- The permitting or inspection of any work does not guarantee physical condition or adequacy of work. Compliance with proper engineering and technical methods are the responsibility of the permit holder.
- Improvements to property may subject said property to material men's or mechanic's liens. Any person with an interest in such property should consider contacting an attorney or purchasing a consumer's guide to the Lien Laws.

I hereby attest that the above information is true and correct.
