1.

**RECITALS**

The foregoing recitals, each being true, are made a part of this Agreement by reference.

2.

**TERM**

The term of this Agreement shall commence upon the last date that this Agreement has been executed and delivered by each of the parties and shall terminate upon the expenditure by the County, whether said expenditure is on behalf of the County or the above-named Municipalities, of the last dollar of money collected of the Special Local Option Sales Tax after the expiration of the Special Purpose Local Option Sales Tax, or upon the completion of all projects referenced in Exhibits “A” through “D” hereto attached, whichever comes later. Notwithstanding the foregoing, this Agreement shall not take effect until the conditions precedent set forth in Paragraph 7 of this Agreement shall have been satisfied.

3.

**DEFINITIONS**

The following definitions shall apply in the interpretation and enforcement of this Agreement unless otherwise specifically stated:

a. **Sales Tax Fund** - The fund to be established pursuant to the terms of this Agreement for the purpose of financing the projects described in Exhibits “A” through “D” to this Agreement. All monies obtained from the imposition of a Special Purpose Local Option Sales Tax, as described in this Agreement, shall be deposited in said fund, and the funds to be received by each Municipality in accordance with Paragraph 17 hereof shall be transferred from such fund to the respective Municipalities as set forth in Paragraph 17 hereof.

b. **Special Purpose Local Option Sales Tax** - A one cent (\$.01) sales tax to be imposed pursuant to the provisions of O.C.G.A. § 48-8-110 *et seq.* for the purpose of funding the projects described in Exhibits “A” through “D” attached hereto.

c. **Sponsoring Local Government Entity** - Each of the parties to this Agreement shall serve as a Sponsoring Local Government Entity for one or more of the projects as described in Exhibits “A” through “D” attached hereto, which together comprise and shall be known as the “2024 Lamar County Capital Improvements Projects.” The projects which the County and each Municipality shall sponsor are set forth in Paragraph 4 below.

4.

**PROJECTS**

The County and each Municipality shall undertake and make a bona fide effort to complete within the term of the Agreement the following capital project or projects designed to improve the services offered to the residents of Lamar County and to each Municipality:

(a) The County shall undertake and complete the capital improvement projects throughout those unincorporated areas of Lamar County as shown in Exhibit “A” which is attached hereto and incorporated herein by reference thereto.

(b) The City of Barnesville shall undertake and complete the capital improvement projects throughout those incorporated areas of the City of Barnesville, Lamar County, Georgia, and throughout any other areas in which any portion of the capital improvement projects operated by the City of Barnesville are located, all as shown in Exhibit “B” which is attached hereto and incorporated herein by reference thereto.

(c) The City of Milner shall undertake and complete the capital improvement projects throughout those incorporated areas of the City of Milner, Lamar County, Georgia, as shown in Exhibit “C” which is attached hereto and incorporated herein by reference thereto.

(d) The Town of Aldora shall undertake and complete the capital improvement projects throughout those incorporated areas of the Town of Aldora, Lamar County, Georgia as shown in Exhibit “D” which is attached hereto and incorporated herein by reference thereto.

Each party acknowledges that the budgeted amounts shown for the projects listed on the County’s and each Municipality’s respective Exhibit are estimated amounts to be spent on each project. Said amounts are purely estimates based on the best information available at the time this Agreement is entered into and do not take into account potential increases in costs over the term of the SPLOST. In the event that a particular listed project has been satisfactorily completed at a cost below the amount listed for said project on that party's Exhibit, that party may apply the remaining unexpended amount from that completed project to another of said party's listed projects.

If any area presently comprising a portion of the corporate limits of a respective

municipality lying within Lamar County should change, due to annexation or de-annexation of any area, said affected Municipality and the County covenant that they will continue and complete the proposed projects that fall within the annexed or de-annexed areas.

Each party acknowledges that the completion of each project of the Sponsoring Local Government Entity is important to the overall goal of improving the services provided to the citizens of Lamar County, Georgia.

Each party further acknowledges that its participation in and adherence to the terms of this Agreement are crucial to the completion of the 2024 Lamar County Capital Improvement Projects.

5.

**CONSTRUCTION OF PROJECTS**

The Sponsoring Local Government Entities shall promptly move forward with the acquisition, construction and installation of the projects in an efficient and economical manner, at a reasonable cost, substantially in accordance with the plans and specifications approved by the applicable governing body of the entity that has jurisdiction over the same and in conformity with all applicable laws, ordinances, rules, and regulations of any governmental authority having jurisdiction of the same.

The Sponsoring Local Government Entity may, at its discretion, require as a condition precedent to the letting of any contract for the acquisition, construction, or installation of any project, the contractor or the other party to post and give payment and a performance bond, such bond to be the usual and customary bond of a reliable insurance or casualty company authorized to do business in the State of Georgia guaranteeing to the parties hereto that the particular contract of such contractor or other party will be performed as set forth therein and indemnifying the parties against any loss or damage by virtue of the failure by such contractor or other party so to perform.

In the letting of contracts to acquire, construct, or install the projects, no Sponsoring Local Government Entity shall pledge as collateral, commit as collateral, or otherwise place as collateral, any monies in the Sales Tax Fund.

6.

**REPRESENTATIONS AND WARRANTIES**

Each party hereto makes the following representations and warranties which are specifically relied upon by all of the other parties as a basis for entering this Agreement:

(a) Each Sponsoring Local Government Entity has the legal authority to enter into this Agreement under the laws of the State of Georgia and the United States of America.

(b) Each Sponsoring Local Government Entity has validly adopted a resolution authorizing the Sponsoring Local Government Entity to enter into this Agreement.

(c) Each Sponsoring Local Government Entity warrants that any and all funds received from the performance of this Agreement shall be used solely for the purposes set forth herein.

(d) Each Sponsoring Local Government Entity warrants that it will diligently seek to complete the projects (Exhibits “A” through “D”) for which it has specific responsibility as the Sponsoring Local Government Entity. Each Sponsoring Local Government Entity shall make every reasonable effort to complete the projects within the time stated in the plans and specifications for the projects; subject, however, to the provisions of Paragraph 4 which permit application of funds to other projects on a Sponsoring Local Government Entity’s list.

7.

**CONDITIONS PRECEDENT**

(a) The execution of this Agreement by each of the parties hereto as authorized by each party’s governing body.

(b) The adoption of a resolution providing for the Special Purpose Local Option Sales Tax in accordance with the provisions of O.C.G.A. § 48-8-111.

(d) Obtaining all necessary approvals from any and all state or federal agencies; provided, however, that with respect to the failure by the County or any Municipality to obtain a governmental or regulatory approval for a specific project, such failure shall not in and of itself constitute a failure to satisfy a condition precedent to the effectiveness of this Agreement, and in such case the funds committed to such project may be applied to another authorized project in accordance with Paragraph 4 of this Agreement.

8.

**FUNDING OF PROJECT**

In order to fund the capital outlay projects in Exhibits “A” through “D”, the County shall, subject to referendum approval and the other requirements of O.C.G.A. § 48-8-110, *et seq.*, impose a one cent (\$.01) Special Purpose Local Option Sales Tax for a period of no more than six (6) years for the projects. The County hereby undertakes to adopt a resolution on the earliest practical date following the execution and delivery of this Agreement by the parties hereto calling for a referendum election to be held throughout the County on March 21, 2022, authorizing the imposition of the Special Purpose Local Option Sales Tax.

9.

**SALES TAX FUND**

Upon effective imposition of the Special Purpose Local Option Sales Tax, a special trust

fund shall be created and designated as the 2024 Lamar County Capital Projects Fund (hereinafter referred to as the “Sales Tax Fund”). Lamar County shall be responsible for selecting a local bank or banks which shall act as depository and custodian of the fund upon such terms and conditions as may be acceptable to the County.

The monies received by the County through the imposition of the Special Purpose Local Option Sales Tax shall be immediately deposited in the Sales Tax Fund. The monies in the Sales Tax Fund shall be held and applied to the cost of acquiring, constructing, and installing the projects listed on Exhibits “A” through “D” and the applicable amount, computed in accordance with Paragraph 17 hereof, shall be transferred from the Sales Tax Fund to each Municipality in the percentage amount shown in Paragraph 17 within the time set forth therein until the projects have been paid in full.

The County shall be responsible for administering the fund in a manner designed to effectuate the terms of this Agreement. The County agrees that it will not cause or permit to be withdrawn from the Sales Tax Fund any monies except in accordance with the provisions hereinafter provided; but with respect to the expenditure of monies in the Sales Tax Funds by the Municipalities, the County shall not have the responsibility to independently verify that such expenditures by the Municipalities comply with Paragraph 11 of this Agreement or the requirements of O.C.G.A. § 48-8-110 *et seq.* No funds other than those received from the Special Purpose Local Option Sales Tax and any interest issued on such monies shall be placed in the Sales Tax Fund.

10.

**CUSTODIAN OF SALES TAX FUNDS**

All monies and investments held in the Sales Tax Fund shall constitute trust funds and shall

be applied only in accordance with the terms hereof and for the purposes set forth herein and shall not be subject to a lien or attachment by any creditors of the County or of any of the Municipalities. Such monies shall be invested at the direction of the appropriate fiscal officers of the County in accordance with this Paragraph 10 pending their distribution as provided in Paragraph 17(a). All earnings on such investments shall be distributed to the County and the Municipalities as provided in Paragraph 17(a).

No monies shall be deposited or remain on deposit with any depository or custodian of the Sales Tax Fund in excess of the amount guaranteed at such time by the Federal Deposit Insurance Corporation, or any other federal agency, unless such bank or banks shall have pledged with the County or any Municipality, as the case may be, as collateral security for the monies deposited, direct and general obligations of the United States of America or obligations of other entities which are fully guaranteed as to principal and interest by the United States of America.

11.

**AUTHORIZED FUND DISBURSEMENTS**

Withdrawals from the Sales Tax Fund may be made for the purpose of paying the cost of acquiring, constructing, or installing the projects and the expenses incident thereto. Without intending to limit or restrict or to extend any proper definition of such cost and expenses as now provided by law, said costs shall include, but not be limited to, the following:

- (a) The cost of premiums on insurance and bonds, including performance and payment bonds, if any, in connection with the projects until the completion date of such projects;
- (b) The fees and expenses of architects and engineers for surveys and estimates, preparation of plans, specifications and recommendations and supervising acquisition, construction and installation of the projects, as well as for the performance of all other duties of

13.

While the issue of the dispute over the breach of the contract is being resolved, said funds shall be held by the County in an interest bearing account. If it is determined that the party has not breached the contract, then all funds held in said account together with all interest earned thereon, shall be delivered over to said party within five business days after the issue has been resolved by mediation. 16.
