

THREE RIVERS REGIONAL COMMISSION

RURAL PUBLIC TRANSPORTATION PROGRAM

NOTICE OF POTENTIAL CHANGE IN PHONE NUMBERS FOR THE CALL CENTER

The Three Rivers Regional Commission is changing call centers for its Rural Public Transportation Program, beginning January 1, 2020. Unfortunately, we have just learned that we may not be able to retain the current call center numbers (855-407-RIDE, 844-RSVP-VAN) which applies to the counties of Butts, Carroll, Lamar, Meriwether, Pike, Spalding, and Upson, but would not affect Coweta, Heard and Troup. In the interim, please use the following numbers to schedule transit services:

Carroll County Transit: 678-588-9456

Butts, Lamar, Meriwether, Pike, Spalding and Upson Transit: 678-588-9430

We are diligently working to retain the current transit numbers, but there is no guarantee that this will be accomplished. Should Three Rivers have to change the current numbers, we will update all affected governments, as well as local service centers, and Family Connection partners.

Please check back with the Three Rivers Regional Commission's website for updates.

Please call Pavielle Ludlow at 678-692-0510 if you have questions.
