The making of any statement on the application that is found to be false is grounds for denial of the application.

### **Sec 2-3-32 Character**

(a) In no event shall any license be granted to any person where any of the individuals, or officers, as the case may be, have, within two years (2) immediately prior to the filing of the application, entered a plea of guilty or a plea of nolo contendere, or shall have suffered any conviction of any kind involving particularly, but not limited to, alcoholic beverages, of the state or of any locality or of the United States, if such plea or conviction tends to indicate that the applicant will not maintain the operation for which he is seeking a license in conformity with local, state or federal laws.

(b) In no event will a license be granted if the applicant at any time has had a license for distilled spirits, wine and/or malt beverage revoked at any location, whether in this county or otherwise if it indicates the applicant will not maintain the operation for which he is seeking a license in conformity with local, state or federal laws.

(c) A license application may be denied to any applicant where it appears that the applicant would not have adequate financial participation in the proposed business to direct and manage its affairs, or where it appears that the applicant is intended to be a mere surrogate for a person or persons who would not otherwise qualify for a license for any reason whatsoever.

(d) The Board of Commissioners of Lamar County, in their discretion, may consider any extenuating circumstances which may reflect favorably or unfavorably on the applicant, application or proposed location of the business. If in their judgment circumstances are such that the granting of the license would not be in the best interest of the general public, such circumstance may be grounds for denying the application.

(e) The restrictions of this subsection as to stockholders shall apply only to stockholders of privately owned corporations and to stockholders of publicly owned corporations who hold in excess of fifty percent (50%) of outstanding stock.

For this purpose, the term “grocery store” shall mean a retail establishment which has a total retail floor space of at least 10,000 square feet of which at least 85% is reserved for the sale of food and other nonalcoholic items, conducts all of its sales inside the building containing its retail floor space, and meets such other criteria as may be required in the Zoning Ordinance of Lamar County, Georgia. Such motion for a hearing shall be filed within ten (10) calendar days after the receipt of the notice of denial, shall be in writing, and shall outline the manner in which such protestant believes that the Board has erred. If the motion relates to a matter as to which evidence has already been heard, no additional evidence or argument shall be permitted on the motion for a hearing except after a grant thereof by the board of good cause shown. The Board shall afford a hearing within sixty (60) calendar days after the filing of the motion, with at least ten (10) calendar days written notice having been served upon the protestant, which notice shall state the protestant has the right to appear in person at a date and time specified in said notice, and that the protestant shall be allowed to be represented by counsel, and may introduce oral and documentary evidence under oath, and may examine and cross examine witnesses.

Whenever a licensee is a business entity, other than a sole proprietorship, a new license application shall be required subsequent to any change in more than 10 percent (10%) of the ownership of the licensed business entity where a new owner joins said business entity.

#### **Sec 2-3-42 Licenses to be Displayed**

(b) The Board of Commissioners of Lamar County takes note of the notorious and self-evident conditions and secondary effects attendant to the commercial exploitation of human sexuality, particularly the problems of crime, blight, and deterioration which are brought about by alcohol and live nudity. It is the finding of the Board that prohibiting public nudity (either partial or total) under circumstances related to the sale and consumption of alcoholic beverages is in the best interest of the public welfare by furthering legitimate governmental interest, such as reducing criminal activity, protecting against property devaluation and deterioration, and eliminating undesirable community conditions normally associated with establishments which serve alcohol and allow and/or encourage nudity, and that such prohibition will not infringe upon the protected constitutional rights of freedom of speech. Therefore, the sale or consumption of alcoholic beverages is prohibited in Adult Entertainment establishments.
